OBJECTIVE:

To learn valuable life lessons, to gain work experience, to broaden my outlook on certain jobs for the future, and to also further my interpersonal skills in the work force.

EDUCATION:

September 2001 – June 2006 *Edwin Parr High School*
Athabasca, Alberta

- Honours student throughout high school
- Graduated grade 12 with an 87% Average.
- Student's Union President for Edwin Parr Student Body.

September 2006 – Inclusive *University of Alberta*
Edmonton, Alberta

- 2nd year of studies at the University of Alberta's Business School.
- My major is accounting with my minor in finance.
- I plan on becoming a Chartered Accountant.

WORK EXPERIENCE:

1998 – 2004 *Popular Wood Farms*
Didsbury, Alberta

- Operated and maintained a variety of equipment including; tractors, combines, swathers, round and square balers, grain trucks, and bale stackers.
- This job gave me the opportunity to work independently, and to be responsible for my actions.

December 2004 – August 2005 *Cheap Seats Sporting Goods*
Athabasca, Alberta

- Updating and maintaining the stock in the store. I was responsible upgrading the system to be more reliable and alert managers when supplies were running low. I also represented the company in trade shows, ordered inventory, and sold sporting goods.
- This job gave me the chance to improve my communication skills, and how to work effectively in a team environment.

December 2004 – Inclusive *Trox Technology*
Athabasca, Alberta

- I have created and managed my own technology business. I am in charge of upgrading, and repairing computers for numerous households and companies.

- My biggest contract is the Family Health Centre in Athabasca. I am in charge of networking the computers, creating a secure network, and to facilitate the sending of records to the Alberta Health.
- My business has provided me knowledge and experience when it comes to dealing with people and technology.

April 2007 – August 2007
Crowsnest Pass, Alberta

Devon Canada

- I was given the task of putting the North Coleman Sour Gas Field online on the Devon's CMMS called Igor. This task include adding equipment, personal, PM's, and work orders into the system. I also had to do numerous operation and maintenance related tasks.
- This job was exciting because I learnt many things about the Oil and Gas Industry in Alberta. I had to work in a team environment, be responsible for my actions and my coworker's actions.

INTERESTS AND ACTIVITIES:

- Level two Referee in Athabasca Minor Hockey. This involved referring all levels of hockey up to Midget AAA.
- I was elected President of the Progressive Party Youth in Athabasca-Redwater riding. I have attended various sittings at the legislature, and I have attended conferences for the party.
- I am a member of the Board of Directors for my Condo Association.

VOLUNTEER EXPIERENCE:

- I am a goaltender coach for the Athabasca Minor Hockey Association.
- I scrutinized the internal PC Party Elections in Athabasca.
- I helped coordinate Santa's Anonymous and managed the toy/food sorting, and delivery to families in Athabasca and surrounding areas.
- I am very involved in politics. I have helped with numerous campaigns provincially and federally.
- I was the Student's Union President for Edwin Parr Composite High School.

TRAINING/CERTIFICATES:

- H₂S Alive.
- Standard First Aid.
- TDG & WHMIS.
- Class 5 Drivers License with Air Brakes Endorsement.
- Pre-entry Confided Space.
